

**You have been invited to speak at the:**

**Strategic Internal Communications to Engage Deskless Employees  
April 30 – May 2, 2019 | Chicago, IL**

**Contents**

**Speaker Agreement..... 2**  
**Materials to be submitted.....3**  
**Suggested topics..... 4**

**Yes**, I'd like to join the speaking platform to present a case study on best practices & lessons learned for the following event:

***Strategic Internal Communications to Engage Deskless Employees***

**April 30<sup>th</sup>, 2019: Interactive Workshop Sessions**

**May 1<sup>st</sup> & 2<sup>nd</sup>, 2019: General Session Case-Studies**

By committing to this speaking opportunity, you agree to be onsite and prepared for your designated speaking slot. In the event you are to cancel within three weeks of your presentation date, we do ask for your assistance in filling the session with a qualified co-worker or colleague. If the session is unable to be filled, we ask that a PowerPoint presentation of your session still be submitted for attendee's viewing purposes.

## **Materials To Be Submitted For Review**

### ➤ **ABSTRACT TO BE CONSIDERED – follow the format below**

**Title:** Your title should be catchy and highlight the key points you will be making

**Example:** *Connect, Engage, Inspire – Tips And Techniques To Drive Business, Increase Productivity, And Build Culture On A Shoe-String Budget And A Lean Team*

**3 – 5 sentences describing your topic/session.** This should provide readers with some background information on the challenge you encountered, the solution you found, and why it made a difference.

**Example:** *This highly informative session will assist you in gaining employee commitment and action by harnessing the energy of your employees themselves. Treasury Wine Estates has managed to do this with not only a lean team, but also a limited budget as well.*

*Following this discussion, you'll gain an understanding on how to successfully:*

**3 – 5 bullet points listing key takeaways attendees will gain from your session.**

**Example:**

- *Align your communication strategy and priorities with your company's strategic imperatives and culture*
- *Advocate for your employees: get deep into your business to have the pulse of the organization and the resolve to tell it like it is*
- *Generate engaging, on-brand messaging: leverage all of your employees to tell stories and generate rich content*

### ➤ **BIOGRAPHY, HEADSHOT & Company Logo**

This biography will be highlighted with your speaker session online. Please provide:

1. A paragraph form biography. Feel free to include information on your professional background, interesting factoids about yourself, and anything else you feel is important
2. A headshot – this can be a professional photo, a photo with your favorite pet, a fun selfie -- anything works!
3. Your company logo – png or jpeg format
4. Your twitter handle (personal or company) for attendees to mention during your session
